Liquid handwash

90% biodegradable, has an excellent degreasing, cleaning and cleansing action both with cold and hot water, fresh or sea water

Thick and creamy, it easily penetrates deep into the skin pores with a better action compared to soap paste or powder

With a high dissolving action, it does not require brushes, pumice stone, abrasive pads, sawdust, etc.

The product complies with the provisions of the law on cosmetic products n° 713/86

Directions for use: - spread a small amount of liquid on your hand (approx. two grams)

- rub your hands together without adding water

- rinse with water
