

Handwashing paste

The product complies with Directive 67/548/EC and subsequent adjustments relating to cosmetic products
 Soap paste ideal to remove **greases, oils, paints, inks and soap-resistant dirt**, leaving hands soft and scented

Suitable for mechanical, naval, textile, agricultural industries, etc.

Directions for use:

- spread a small amount of soap on your dry hand (the size of a nut);
- rub your hands together without water, paying particular attention to dirty areas;
- dampen slightly and keep washing until stains are removed;
- rinse with plenty of water
