

Fixed blade voltage tester screwdrivers

ABC TOOLS

For voltage **100÷500 V** - With pocket clip
Tempered steel blade, hardened and nickel-plated -  12 pcs.

Blade length	mm	45	65	100*
Code		A 1502 1035	A 1502 1065	A 1502 1100
A 1502/1	Each €			
Blade dimensions	mm	3x0,5	3x0,5	4x0,6
Overall length	mm	120	140	190

Conforming to safety norms VDE 0680 - For voltage **120÷250V**

Tempered nickel-plated steel blade

Blade length	mm	65	100
Code		A 1502 3065	A 1502 3100
A 1502/3	Each €		
Overall length	mm	140	190

Conforming to safety norms VDE 0680 - For voltage **125÷250V**

Frequency 50÷500 Hz - Chrome-vanadium steel blade, chromed

With pocket clip -  12 pcs.

Blade length	mm	65	100
Code		A 1502 4065	A 1502 4100
A 1502/4	Each €		
Blade dimensions	mm	3x0,4	3,5x0,4
Overall length	mm	155	190

For voltage **105÷250V**

Ergonomic handle in cellulose acetate - With pocket clip

Precision blade, in chrome-molybdenum-vanadium steel, chromed

Blade length 70 mm - Overall length 140 mm

Code A 1502 4570	A 1502/45	Each €	 6
------------------	------------------	--------	---

felo

For voltage **105÷250V**

Ergonomic handle in cellulose acetate - With pocket clip

Precision blade, in chrome-molybdenum-vanadium steel, chromed

Blade length 70 mm - Overall length 142 mm

Code A 1502 5070	A 1502/5	Each €	 12
------------------	-----------------	--------	--

Multifunction voltage tester screwdriver

Allows checking:

- **alternating current up to 250V even contactless;**
- hot, ground and neutral wires,
- continuity and polarity on fuses, lamps, etc.

High-brightness control LED to use the voltage tester also as inspection light

With pocket clip - Powered by 3 AG-3 button cells (included) or similar

Overall length 145 mm - Blade dimensions 15x3 mm

Code A 1503 0000	A 1503	Each €	 1
------------------	---------------	--------	---

KNIPEX Control cabinet keys

With voltage tester without contact up to 600 V (50-60 Hz) and optical indicator (green LED) for magnetic fields

Support with 2 swivel sockets with the following sockets:

2  x 6 and 8 mm - 1  x 9 mm - 1  x 3-5 mm

With ON-OFF switch and pocket clip

Supplied with double bit  7,0x1,2 mm and  PH 2

Powered by 2 batteries (LR44) - Automatic switch-off after about 2 minutes inactivity

Overall length 155 mm

Code M 7108 9900	M 7108/99	Each €	 1
------------------	------------------	--------	---

Contactless voltage detector

Suitable to detect the tension in electrical panels, cables, sockets, circuits, lights, etc, and possible line interruptions in cables, without contact

For voltage AC from 24V to 1000V AC - Frequency 50-60 Hz

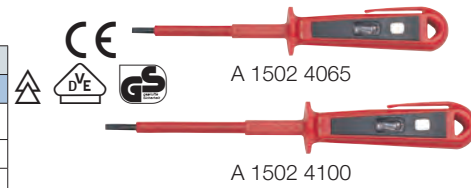

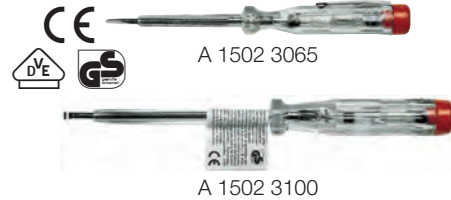

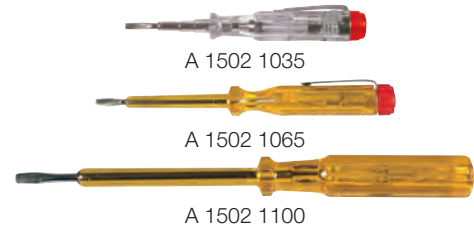

ZOOM button for very deep line tracking

Tension detection through LED light and acoustic signal

With integrated, high brightness mini-torch, ON/OFF button operated

2 AA, 1,5V batteries powered, included

Code H 5437 2000	H 5437/2	Each €	 1
------------------	-----------------	--------	---

With voltage tester and magnetic fields indicator
