

HAZET Valve spring compressors

Special steel - Polished nickel-plated version
Complete with straight and bent jaws

Height	mm	290	380
Code		C 3247 0290	C 3247 0380
C 3247	Each €		
Opening with straight jaws	mm	75÷225	120÷280
Opening with bent jaws	mm	45÷195	90÷250
Arc depth	mm	160	260

HAZET Valve plate plier

Chrome-vanadium steel
Burnished version with hardened and tempered tips
Suitable for extracting seal rings when registering the play
Overall length 265 mm

Code C 3248 3000	C 3248/3	Each €	1
------------------	-----------------	--------	---

Mini-grip plier → B 0 pag. 165

HAZET Valve seal rings plier

With hardened jaws - Nickel-plated version
Suitable for water-cooled motors of VW-Audi, BMW, Opel, Ford, Nissan, etc.
Overall length 250 mm

Code C 3248 5000	C 3248/5	Each €	1
------------------	-----------------	--------	---

HAZET Clutch alignment tool

In plastic with metal tightening screw
Suitable for manually centering clutch plates with a bearing pilot on cars and light trucks
Also ideal for vehicles **without** guide bearing in the disk flywheel - Easy fast assembly
Complete with 2 tightening sockets for Ø 15÷21 mm and Ø 21÷28 mm
Overall length 130 mm

Code C 3248 9000	C 3248/9	Each €	1
------------------	-----------------	--------	---

HAZET Piston ring pliers

In special steel - Polished nickel-plated version
Plastic coated grip
Suitable for assembling or disassembling piston ring segments

For segments with Ø	mm	50÷100	65÷110	110÷150
Code		C 3254 0001	C 3254 0002	C 3254 0003
C 3254	Each €			
Overall length	mm	220	240	280

HAZET Piston ring compressors

For piston ring segments

Type in steel strap for very high resistance springs, with wrench and endless screw

For pistons Ø	mm	40÷75	60÷125	90÷175
Code		C 3255 1000	C 3255 1001	C 3255 1002
C 3255/1	Each €			
Height	mm	50	80	80

Type with adjustable handle

With adjustment scale for adapting from Ø 70 to 100 mm
Strap can be released using the lever
Min. length 302 mm - max. 332 mm - Strap width 32 mm

Code C 3255 2000	C 3255/2	Each €	1
------------------	-----------------	--------	---

ABC TOOLS Exhaust pipe cutter

Grip type
Sheet-steel body - Nickel-plated
With jointed link steel chain and high-resistance steel wheels
For pipes with Ø 20÷75 mm, max. thickness 2,5 mm - Overall length 235 mm

Code C 3255 3000	C 3255/3	Each €	1
------------------	-----------------	--------	---

Replacement chain complete with wheels - Overall length 270 mm

Code C 3255 4000	C 3255/4	Each €	1
------------------	-----------------	--------	---
