

## Multi-purpose shears

### With blade and tool in stainless steel - INOX

Handle with soft non-slip rubber inserts

Complete with **7 different tools**, tough and precise, for various uses

**Foldable** to reduce overall size

Overall length open 175 mm, closed 100 mm

Cutting edge length 55 mm

Supplied in handy nylon marsupial pouch

Code C 3713 1000	C 3713/1	Each €	 8
------------------	----------	--------	---

### Body in stainless steel

Ergonomic handle with anti-slip insert

Tool constructed in a accurate and strong way

With **15 different tools** for various uses and bits for screws 

Folding to reduce its overall dimensions - Overall length: open 170 mm, closed

Supplied with cordura pouch with loop for attaching to a belt

Code B 1765 1000	B 1765/1	Each €	 1
------------------	----------	--------	---

B 0 → pag. 160

### Stainless steel blades - INOX

## Multi-purpose cutter

**Stainless steel blades - INOX** - With spiral spring  and closure latch

Suitable for cutting paper, cardboard, thin sheet metal, rubber, plastic, flowers, for gardening, etc.

### Type with straight blades

Two-component handles - Blades for precise cuts -  10 pcs.

Overall length	mm	140	190
Code		C 3714 2140	C 3714 2190
C 3714/2	Each €		
Cutting edges length	mm	31	42

Shears for cutting stainless steel sheets max 0,4 mm → B 3 pag. 182

### Type with high performance blades, combined with wire stripper - Mod. "COMBINOX"

**Ergonomic shape**, handles coated with two-component **plastic** with soft insert for a comfortable grip

Lock and release with a single hand - Blade with wire guide

With blades in a single piece within the handle, for stripping electrical wires with section 1 and 1,5 mm<sup>2</sup>

Cutting edge length 40 mm - Overall length 190 mm

Code C 3714 3000	C 3714/3	Each €	 10
------------------	----------	--------	--

Shears for electric cables max 24 mm<sup>2</sup> → B 5 pag. 188

## ABC TOOLS

### Type with very high cutting capacity blades - Hardness 60 HRc

One blade with wire stripper notch and **micro-serration**

Ergonomic handles coated with plastic

Cutting edge length 42 mm - Overall length 185 mm - In blister pack for hanging

Code C 3714 5000	C 3714/5	Each €	 12
------------------	----------	--------	--

### Type for straight and angled cuts of frames, wooden or synthetic resin strips

With thermoplastic coated handles

With closing clasp

Overall length 220 mm

Code B 5593 1000	B 5593/1	Each €	 1
------------------	----------	--------	---

B 9 → pag. 260

## Scissors for special uses

**With stainless steel blades - INOX** - Two-component handles

Oversize hinge with adjustable screw

Particularly suitable for long cuts

### Type for cutting aramid fabric (such as Kevlar®)

**Blades with micro-serration** for perfect cuts and without dangerous slipping

Blade length 120 mm - Overall length 285 mm

Code C 3714 8000	C 3714/8	Each €	 1
------------------	----------	--------	---

For aramid fabric (Kevlar®)

### Type for cutting fiberglass and carbon materials

**Blade with micro-serration** for perfect cuts and without dangerous slipping

Blade length 120 mm - Overall length 285 mm

Code C 3714 9000	C 3714/9	Each €	 1
------------------	----------	--------	---

For fiberglass and carbon fiber
