

## ABC TOOLS Suction cup lifter

Die-cast light alloy body - Strong holding force for lifting and carrying slabs of glass, marble, plastic laminates and sheet metal with smooth non-porous surfaces

**White suction cup ideal for not leaving marks on the surface**

**Attention:** Read carefully the instructions provided with the tool before use

### Type with 1 suction cup, with reading dial for lifting

With dial for reading off low, medium and high negative pressure in Hg and central handle for regulation of the vacuum

Rapid indication of any loss of holding power - **Knob for locking**

Technical specifications:

Dial for pressure reading

### Angular jointed type for mounting - With 2 suction cup lifters Ø 120 mm

Particularly suitable for forming angles from 90° to 270°

Ideal for constructing shop windows, aquariums, etc.

With **locking lever** - Joint with screw adjustment

Weight approx. 1,2 kg

Code C 6141 2000	C 6141/2	Each €			1
------------------	----------	--------	--	--	---

### Replacement accessories kit

Consisting of: 1 rubber suction cup Ø 120 mm, 1 locking lever, 1 fixing pin

Suitable for C 6140/1 - C 6140/2 - C 6140/3 - C 6141/2

Code C 6142 9000	C 6142/9	Each €			1
------------------	----------	--------	--	--	---

## ABC TOOLS Caulking guns

Entirely in aluminium

Finely painted version

Code C 6350 0000	C 6350	Each €			1
------------------	--------	--------	--	--	---

### Type with sheet steel body finely painted

Die-cast aluminium handle

Stable mechanism, guided well for high pressures

Strong hexagonal section push rod in sheet steel

### Open version

Code C 6352 0000	C 6352	Each €			1
------------------	--------	--------	--	--	---

### Open version with rotating shell

Code C 6354 0000	C 6354	Each €			1
------------------	--------	--------	--	--	---

### Professional version

Stable mechanism, guided well for high pressures

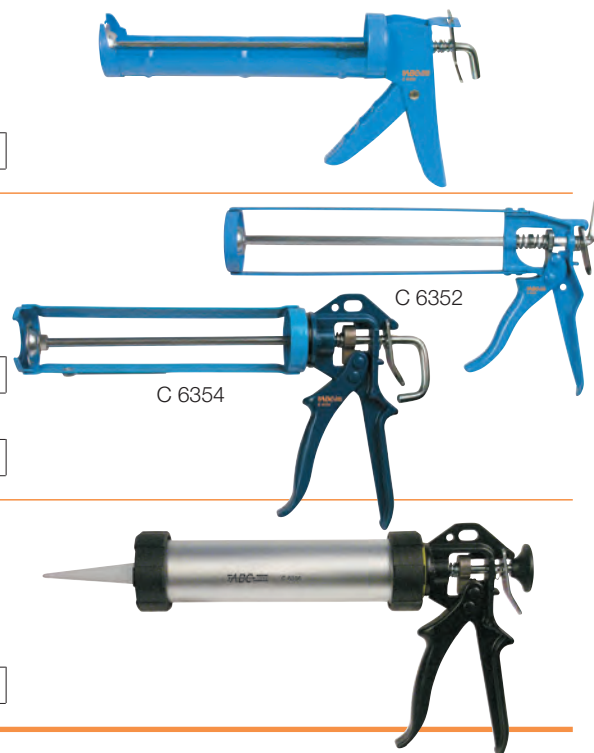

**With aluminium cylinder** - Die-cast aluminium handle finely painted

Round section push rod, sheet steel plate

Also suitable for sealant cartridges

Complete with cone and thrust plate - Overall length 225 mm

Code C 6356 0000	C 6356	Each €			1
------------------	--------	--------	--	--	---

## martor Caulk cartridge knife

**RAPID**

Strong plastic body resistant to abrasions

For left and right-handed use

Suitable for silicone cartridges

With a blade for cutting the nozzle obliquely at the desired diameter and another for cutting the bevel on the cartridge edge

Blades protected against accidents - Overall length 130 mm

Code C 6358 0000	C 6358	Each €			1
------------------	--------	--------	--	--	---
