

## ABC TOOLS Sets of hole saws and accessories

**Complete with hole saws with variable pitch**, 4-6 teeth per inch electronically welded to the back  
Suitable for electricians, plumbers, car bodywork repairs, blacksmiths, etc.  
For cutting steel, stainless steel, cast iron, non-ferrous metals, wood, plastics, fiberglass, etc.

### Consisting of 11 tools - Universal

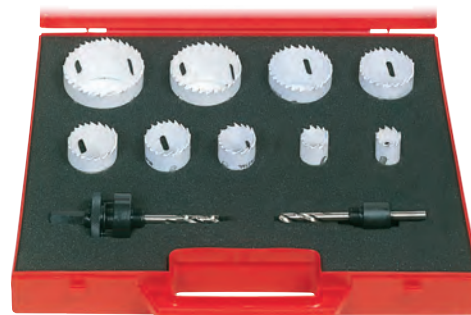

**9** hole saws D 3844/1 Ø 16 - 20 - 25 - 32 - 40 - 50 - 60 - 65 - 70 mm

**1** cylindrical shank arbor D 3847/1 Ø 6,35 mm (1/4")

**1** hexagon shank arbor D 3847/3 10 mm (3/8")

In polypropylene box, dimensions LxDxh 330x250x60 mm

|                  |                  |        |   |
|------------------|------------------|--------|---|
| Code D 3848 8500 | <b>D 3848/85</b> | Each € | 1 |
|------------------|------------------|--------|---|

D 3848/85

### Consisting of 14 tools - Universal

**10** hole saws D 3844/1 Ø 19 - 22 - 25 - 29 - 35 - 38 - 44 - 51 - 57 - 64 mm

**1** cylindrical shank arbor D 3847/1 Ø 6,35 mm (1/4")

**1** hexagon shank arbor D 3847/3 10 mm (3/8")

**1** adaptor D 3847/6

**1** center drill D 3847/7 80 mm

In polypropylene box, dimensions LxDxh 330x250x60 mm

|                  |                 |        |   |
|------------------|-----------------|--------|---|
| Code D 3848 9000 | <b>D 3848/9</b> | Each € | 1 |
|------------------|-----------------|--------|---|

D 3848/9

### Consisting of 20 tools - For general maintenance

**16** hole saws D 3844/1 Ø 19 - 22 - 25 - 29 - 35 - 38 - 44 - 51 - 57 - 64 - 76 - 83 - 92 - 95 - 105 - 114 mm

**1** cylindrical shank arbor D 3847/1 Ø 6,35 mm (1/4")

**1** hexagon shank arbor D 3847/3 10 mm (3/8")

**1** adaptor D 3847/6

**1** center drill D 3847/7 80 mm

In polypropylene box, dimensions LxDxh 440x310x110 mm

|                  |                  |        |   |
|------------------|------------------|--------|---|
| Code D 3848 1500 | <b>D 3848/15</b> | Each € | 1 |
|------------------|------------------|--------|---|

D 3848/15

### With tungsten carbide-coated teeth - Grit type

Particularly suitable for cutting abrasive materials, marble, granite, slate, stoneware, ceramics, tiles, fiberglass, cast iron, hardboard, various laminates, composite panels, etc.  
Allows to cut smooth holes and avoid deburring thinner materials  
Oversize backing plate for heavy-duty applications

### Consisting of 10 tools - For electricians

**6** hole saws D 3844/2 Ø 16 - 20 - 25 - 32 - 40 - 51 mm

**1** cylindrical shank arbor D 3847/1 Ø 6,35 mm (1/4")

**1** hexagon shank arbor D 3847/3 10 mm (3/8")

**1** adaptor D 3847/6

**1** center drill in hard metal D 3853/3 100 mm

In polypropylene box, dimensions LxDxh 330x250x60 mm

|                  |                  |        |   |
|------------------|------------------|--------|---|
| Code D 3849 6100 | <b>D 3849/61</b> | Each € | 1 |
|------------------|------------------|--------|---|

D 3849/61

### Consisting of 15 tools - Universal

**10** hole saws D 3844/2 Ø 19 - 22 - 25 - 29 - 35 - 38 - 44 - 51 - 57 - 64 mm

**1** cylindrical shank arbor D 3847/1 Ø 6,35 mm (1/4")

**1** hexagon shank arbor D 3847/3 10 mm (3/8")

**1** adaptor D 3847/6

**1** center drill D 3847/7 80 mm

**1** center drill in hard metal D 3853/3 100 mm

In polypropylene box, dimensions LxDxh 330x250x60 mm

|                  |                 |        |   |
|------------------|-----------------|--------|---|
| Code D 3849 9000 | <b>D 3849/9</b> | Each € | 1 |
|------------------|-----------------|--------|---|

D 3849/9

### Type complete with integral hole saws

**Drive** D 10 mm (3/8") - Cutting depth 47 mm

Particularly suitable for cutting steel, stainless steel, cast iron, non-ferrous metals, wood, plastics, fiberglass, etc.

More rigid version compared to traditional hole saws and with less vibration

### Consisting up of 8 tools - For electricians

**6** integral hole saws Ø 22 - 29 - 35 - 44 - 51 - 64 mm

**2** centring drills

In polypropylene case, dimensions LxDxh 260x200x80 mm

|                  |                   |        |   |
|------------------|-------------------|--------|---|
| Code D 3848 6500 | <b>D 3848/65*</b> | Each € | 1 |
|------------------|-------------------|--------|---|

\* to be discontinued
