

HAZET Cordless impact wrench

Body in composite material reinforced with metal

Ergonomic central handle for easy handling, balanced center of gravity

High performance motor without carbon brushes

Li-ion battery, 18,0 V - 4.0 Ah high performance and without memory effect

With ergonomic handle with non-slip rubber insert, light to illuminate the work before the attack moves and clip for attaching to a belt

Clockwise and counter-clockwise rotation

3 selectable power levels

Supplied in synthetic resin case with **battery and quick battery charger (60 min)**

For bolts up to	M	14
Tool drive		1/2" with locking ring
Power	1st level	80 Nm - 600 rpm - 1700 impacts/min
	2st level	300 Nm - 1400 rpm - 2500 impacts/min
	3st level	500 Nm - 2000 rpm - 3400 impacts/min
Weight with battery	kg	2,5
Code E 1088 3000	E 1088/3	Each €  1

Replacement Li-ion battery 18 V (4,0 Ah)

Recharge time 60 min

Code E 1088 3100	E 1088/31	Each €  1
-------------------------	------------------	--

Battery charger for E 1088/31

Recharge time 60 min

Code E 1088 3500	E 1088/35	Each €  1
-------------------------	------------------	--

ABC TOOLS Cordless drills

Ideal for quick and precise drilling on metal and wood, also in tight spaces

Compact, light, handy design with balanced center of gravity

Li-ion battery, high performance and without memory effect

With **self-locking chuck** and handle with non-slip rubber insert and LED to illuminate the work area - With 2 speed regulations

Supplied with **case with 2 high-performance batteries** and 1 fast battery charger (60 min)

Running with battery 14,4V - 3,0 Ah

Engine with external carboncool replacement

Battery	V	14,4 (2,0 Ah)
Max. torque	Nm	27
Nr. of torque positions		11 + 1
Max. idle speed	rpm	340 / 1450
Self-locking chuck	mm	0,8÷10
Weight with battery	kg	1,2
Code E 1089 1144	E 1089/1	Each €  1

Running with battery 18 V - 3,0 Ah

With percussion function

Battery	V	18 (3,0 Ah)
Max. torque	Nm	51
Nr. of torque positions		17 + 1
Idle impacts/min		1st speed 0 ÷ 4560 / 2nd speed 0 ÷ 16560
Max. idle speed	rpm	380 / 1380
Self-locking chuck	mm	1,5÷13
Weight with batter	kg	2,2
Code E 1089 1018	E 1089/1	Each €  1

Replacement Li-ion batteries

Recharge time 60 min

Voltage	14,4 (2,0 Ah)	18 (3,0 Ah)
Code	E 1089 1201	E 1089 1202
E 1089/12 Each €		
Suitable for:	E 1089 1144	E 1089 1018

Replacement Li-ion battery charger

Recharge time 60 min

For battery	V	14,4	18
Code	E 1089 1301	E 1089 1302	
E 1089/13 Each €
