Portable vacuum cleaner

Suitable for vacuuming dust, dirt, residues etc.

Ergonomic design, with body in shock-resistant plastic material, easy to clean

With a large upper area suitable for storing the suction pipe and the various accessories

Cleaning the semi-automatic filter: the system is activated by pressing the appropriate filter and allows you to clean the filter automatically and quickly without removing it from the aspirator, allowing greater autonomy and not to disperse the collected material and dust in the environment. Can also be used without a paper bag

Compact type

Supplied with 1 m hose, flat lance, brush and shoulder strap

Container capacity	l	6		
Absorbed power	W	1200		
Dimensions LxDxh	mm	390x280x230		
Weight	kg	3		
Code E 1113 8900	E 1113/89	Each €		 1

with shoulder strap

"Maxi" version

Also suitable to suck up non-hazardous liquids

Equipped with 2 large wheels and two swivel guide rollers

Supplied with 2 m flexible hose, 2 x 460 mm plastic extensions, crevice nozzle, floor and liquid brush, brush and filter bag

Container capacity	l	15		
Absorbed power	W	1200		
Dimensions LxDxh	mm	325x355x440		
Weight	kg	5,3		
Code E 1113 8920	E 1113/892	Each €		 1

**Accessories for vacuum cleaners/air blowers****Spare cartridge filter for E 1113/89**

Code E 1113 8940	E 1113/894	Each €		 1
