

ARIANA Modular coolant hose system

In Hostaform® type high strength plastic

Versatile, universal, modular components for all needs, they may be shortened or lengthened as required

They do not move under pressure, they do not vibrate, they resist chemical agents and do not conduct electricity

Compatible with almost all systems available on the market

For assembly and disassembly use pliers G 3954

Max operating pressure 6 bar

Modular segments

Internal Ø	inches	1/4"	1/2"	3/4"
Code		G 3942 0014	G 3942 0012	G 3942 0034
G 3942	Each €
