

Laser distance meters

High precision instruments, suitable for quick contactless detection of lengths, heights, areas, volumes etc.

User-friendly, using a keyboard with clearly visible and intuitive pictograms of the function

Laser beam Class 2 with frequency 635 nm - IEC 60825-1

Strong ABS body with rubber profile

Wide multi-line LCD display, backlit - Automatic switch-off

Supplied with case and batteries

	H 5103/5	H 5104	H 5105/3	H 5105/5
