

ABC TOOLS Stand for soldering irons

With tip cleaner

Code K 3789 2000	K 3789/2	Each €		1
------------------	-----------------	--------	-----------------------------------------------------------------------------------	---

ABC TOOLS Desoldering pump

To be used with a soldering iron, it is also suitable to suction tin during soldering operations
 Particularly suitable for printed circuits, radio, televisions, electronics
 Piston pump with spring and button - With teflon tip, interchangeable
 Body Ø 20 mm - Overall length 195 mm - Weight 90 g

Code K 3789 5000	K 3789/5	Each €		1
------------------	-----------------	--------	-----------------------------------------------------------------------------------	---

Spare tips

Code K 3789 6000	K 3789/6	In teflon	Each €		1
Code K 3789 7000	K 3789/7	Antistatic	Each €		1

K 3789/6

K 3789/7

ABC TOOLS Soldering irons

For 230 Volt voltage - Conforming to accident-prevention standards EN 60335-1
 With flat copper - Heavy version, for industry

Consumption	Watt	100	200	300	450	550
Code		K 3790 1100	K 3790 1200	K 3790 1300	K 3790 1450	K 3790 1550
K 3790/1	Each €					
Solder weight	g	500	700	900	1350	1350
Copper weight	g	100	270	400	600	600
Max temperature	°C	350	350	350	400	550

K 3790/2 - Spare resistors

K 3790/3 - Spare copper bar

For solderers	Watt	100	200	300	450	550

STANNOL Fast electronic soldering iron

For 230 Volt voltage

Conforming to accident-prevention standards EN 60335-1 and EN 60555
 With double safety insulating coating 
 Professional model for radio repairers
 Thermoset resin body with gun handle
 With stainless tip and micro light to light up the working area
 Easily and quickly replaceable tips (by loosening screw without removing them completely)

Power	W	100		
Max temperature	°C	500		
Heating time		6 sec.		
Weight	kg	0,7		
Code K 3797 5000	K 3797/5	Each €		1

Spare tip

Code K 3797 6001	K 3797/6	Each €		1
------------------	-----------------	--------	-------------------------------------------------------------------------------------	---

Set in synthetic resin case

Consisting of:

- 1 electronic solderer K 3797/5
 - 1 spare stainless tip K 3797/6
 - 1 solderer for electronics K 3783/2 30 W
 - 1 desoldering pump
 - 1 tin reel
 - 1 tip for scribing
 - 1 soldering support and base with fastening clamps
- Case dimensions LxDxh 355x265x75 mm - Weight 2 kg

Code K 3797 8000	K 3797/8	Each €		1
------------------	-----------------	--------	-------------------------------------------------------------------------------------	---
