## Heads for compressor hoses

Threaded shank M 10x1

Suitable for grease guns with hexagonal head 15 mm (K 3902/4 - K 3902/5)

<b>Code K 3900 1000</b>	<b>K 3900/1</b>	Nickel-plated	Each €	 10
<b>Code K 3900 2000</b>	<b>K 3900/2</b>	Steel	Each €	 10

K 3900/1

K 3900/2

Suitable for grease guns with round head 22 mm

In nickel-plated brass

<b>Code K 3900 2700</b>	<b>K 3900/27</b>	At 90°	Each €	 10
<b>Code K 3900 3000</b>	<b>K 3900/3</b>	Straight	Each €	 10

K 3900/27

K 3900/3

With concave head for grease guns with pointed head (K 3902/11)

Suitable for injection grease guns K 3890

<b>Code K 3901 1000</b>	<b>K 3901/1</b>	Nickel-plated	Each €	 10
-------------------------	-----------------	---------------	--------	--

With conical head for grease guns with concave head (K 3902/12)

<b>Code K 3901 2000</b>	<b>K 3901/2</b>	Brass	Each €	 10
-------------------------	-----------------	-------	--------	--

With simple ring for sealing

For grease guns with semispherical «Hydraulic» head (K 3902/7÷K 3902/9)

<b>Code K 3901 3000</b>	<b>K 3901/3</b>	Steel	Each €	 10
-------------------------	-----------------	-------	--------	--

With gripping pincers with 4 jaws

Long-lasting, for high pressure

For grease guns with semispherical «Hydraulic» head (K 3902/7÷K 3902/9)

<b>Code K 3901 4000</b>	<b>K 3901/4</b>	Steel	Each €	 10
-------------------------	-----------------	-------	--------	--
