

Pump oil can

With lever pump **entirely in brass** - With tube

ABC TOOLS - Type with sheet metal tank

With rigid tube length 200 mm - Overall height 120 mm

Capacity	ml	300	500
Code		K 3915 0300	K 3915 0500
K 3915	Each €		

Spare rigid tube for pump oil cans - Length 200 mm

Code K 3915 2000	K 3915/2	Each €	 1
------------------	-----------------	--------	---

With flexible tube, length 200 mm

Capacity	ml	200	300	500	1000
Code		K 3916 0200	K 3916 0300	K 3916 0500	K 3916 1000
K 3916	Each €				
Overall height	mm	100	120	120	180

Spare flexible tube for pump oil cans

Length	mm	140	200
Code		K 3916 2140	K 3916 2000
K 3916/2	Each €		

ABC TOOLS - Type with plastic tank

With flexible tube length 170 mm

Capacity	ml	200	300	500	700
Code		K 3918 3200	K 3918 3300	K 3918 3500	K 3918 3700
K 3918/3	Each €				
Overall height	mm	130	130	140	160

Spare tube for pump oil cans - Length 170 mm

Code K 3918 4000	K 3918/4	Each €	 1
------------------	-----------------	--------	--

ABC TOOLS - Type with sheet metal tank, without grip

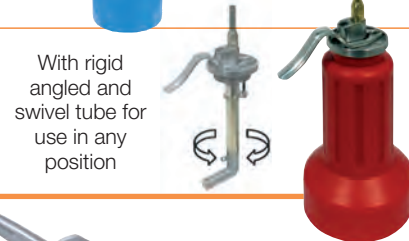

Capacity 200 ml - With rigid tube, length 95 mm - Overall height 120 mm

Code K 3919 0175	K 3919	Each €	 1
------------------	---------------	--------	---

MELIG - Type with wide-base tank - Without handle

With double-pump mechanism with rigid angled and swivel tube for use in any position
Capacity 500 ml - Tube length 135 mm - Overall height 350 mm

Code K 3919 5500	K 3919/5	Each €	 1
------------------	-----------------	--------	---

With rigid angled and swivel tube for use in any position

Measuring buckets

In very thick **galvanized sheet metal** - With rigid nozzle - Suitable **only for mineral oil**
The shape makes it very stable and prevents liquid spillage

Capacity	l	1	2
Code		K 3920 1001	K 3920 1002
K 3920/1	Each €		

In stainless steel - INOX

Capacity	l	1	2	5	10
Code		K 3920 0001	K 3920 0002	K 3920 0005	K 3920 0010
K 3920/0	Each €				

In polyethylene with rigid nozzle - Graduated, not stamped

Not suitable for chemical liquids (i.e. gasoline, corrosive and highly corrosive acids etc.)

Capacity	l	1	2,5	5
Code		K 3920 2001	K 3920 2002	K 3920 2005
K 3920/2	Each €			

Flexible extension with filter for buckets K 3920/2

Code K 3920 2100	K 3920/21	Each €	 1
------------------	------------------	--------	---

Kartell

Open cup type in polyethylene - Graduated, with measurement indicators - Autoclavable
Not suitable for chemical liquids (i.e. gasoline, corrosive and highly corrosive acids etc.)

Capacity	l	0,500	1	2	3	5
Code		K 3921 0500	K 3921 0001	K 3921 0002	K 3921 0003	K 3921 0005
K 3921	Each €
