

Cable knives

With straight blade

Two-component, non-slip, ergonomic handle, with hand guard

Complete with protective cap - Blade length 50 mm

M 7144/1 -  - Stainless steel blade - Overall length 200 mm

M 7145/1 -  - Blade in special oil tempered steel - Overall length 185 mm

Code M 7144 1000	M 7144/1	Each €		1
Code M 7145 1000	M 7145/1	Each €		6

   1000 V IEC/DIN EN 60900

M 7144/1

M 7145/1

Type with blade in special oil tempered steel, with wire stripping notch

With two-component, non-slip, ergonomic handle and transparent protective cap

Sharp notch suitable for stripping vinyl cables, 7 mm Ø

Blade length 28 mm - Overall length 155 mm

Code M 7145 2000	M 7145/2	Each €		6
------------------	-----------------	--------	---	---

Type with straight, partly insulated blade, in special oil tempered steel

With two-component, non-slip, ergonomic handle and transparent protective cap

Back of the blade coated in resin to avoid short-circuits

Blade length 50 mm - Overall length 180 mm

Code M 7145 3000	M 7145/3	Each €		6
------------------	-----------------	--------	---	---

Type with guide slide at the end of the blade to avoid damaging the insulation on the conductor

Two-component, non-slip, ergonomic handle, with hand guard

Two cutting edge blade, suitable for stripping vinyl cables

Complete with protective cap - Blade length 50 mm

M 7144/4 -  - Stainless steel blade - Overall length 200 mm

M 7145/4 -  - Oil tempered stainless steel blade - Overall length 180 mm

Code M 7144 4000	M 7144/4	Each €		1
Code M 7145 4000	M 7145/4	Each €		6

M 7144/4

M 7145/4

Type with safety protection for the blade

Straight, interchangeable, and partially insulated blade to avoid short-circuits, suitable for stripping electric cable

Ergonomic, non-slip hand grip - Blade length 50 mm

M 7144/5 -  - Stainless steel blade - Overall length 180 mm

M 7145/5 -  - Oil tempered stainless steel blade - Overall length 185 mm

Code M 7144 5000	M 7144/5	Each €		1
Code M 7145 5000	M 7145/5	Each €		6

M 7144/5

M 7145/5

M 7144/6 - Spare blade for M 7144/5 - In pack of 4 pieces

M 7145/6 - Spare blade for M 7145/5

Code M 7144 6000	M 7144/6	The pack €		1
Code M 7145 6000	M 7145/6	Each €		1

Electrician's scissors

Stainless steel blade, with high cutting capacity

One blade with micro teeth and **wire stripping notch**

Ergonomic handle in two-component plastic

With insert to attenuate the cutting thrust

Overall length 160 mm

Code M 7148 1000	M 7148/1	Each €		12
------------------	-----------------	--------	---	----

   1000 V IEC/DIN EN 60900

Straight stainless steel blade - With high cutting capacity

Two-component plastic handles - Ergonomic design

The specific shape of the handles allows for a higher force application

With **increased wire-stripping notch** on both blades suitable for cutting large diameter wires (max. 70 mm²)

Blade with **micro serrated teeth** - Overall length 155 mm

Code B 2183 5000	B 2183/5	Each €		12
------------------	-----------------	--------	---	----
