Type with upper frame - Overall height 1490 mm

Consisting of:

- 1 countertop in gray plastic laminate, 30 mm thick, with rounded front edge
- 1 frame in steel sheet metal with 9 Schuko sockets and circuit breaker
- 1 wiring cabinet with inspection door and removable front cover, for inserting switches and outlets (not included)
- 1 drawer unit 564x710x700h mm with **4 drawers**, centralized lock with 2 keys and mechanism to prevent opening of more than one drawer at a time
- 1 section band connecting the drawer unit and the leg for bench stabilization
- 1 upper frame consisting of:
 - 2 side panels with 6 holes for upper countertop height adjustment
 - 1 upper countertop in grey laminate inserted in a metal support
 - 1 section connecting side panels for frame stabilization
 - 1 steel sheet metal with frame cable duct with 9 Schuko outlets and circuit breaker

IP 44

The electrical system (protection level

IP 44) is equipped with:

- 1 circuit breaker
- 2 bipolar switches
- 2 fuse sockets
- 6 universal sockets 220V

Upper frame with the following components:

- 2 bipolar switches
- 2 fuse sockets
- 6 universal sockets 220V
